

## Chromebook 2 CB30-B007 PLM02A-007001

Price \$449.00 RRP AUD (inc. GST)

### Overview

With its knockout sleek design, Intel® Dual-Core processor and amazing built-in apps, this ultraportable 13.3" Toshiba Chromebook is totally engineered for wildly fast all-day cloud computing - for a very happy price.

The ultraportable Toshiba Chromebook is the most hassle-free way to launch your digital kingdom at speed – for a very happy price. Totally engineered for wildly-fast cloud computing, it features a knockout sleek design with cool rounded edges and a deluxe finish that you'll love showing off to your mates.

What's more, it's the only Chromebook to bring you the best of the web on a gorgeous 13.3" HD TruBrite® display. So there's tons of room to master the same everyday things you'd do on a typical PC – in a refreshingly new way.

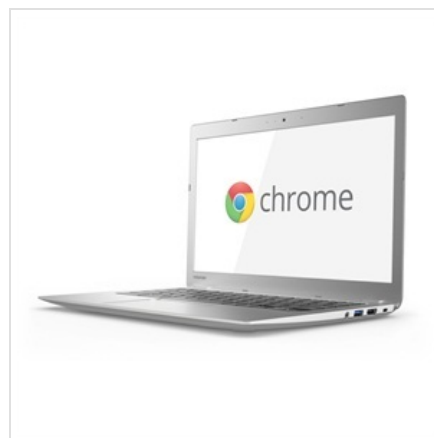

We've equipped you with our top connectivity essentials including an on-board HD Webcam, two lightning-fast USB 3.0 ports, HDMI® for big-screen connectivity, SD Card slot and inbuilt Wi-Fi™. With the whopping 100GB of Google Drive Cloud Storage (free for 2 years), you'll be able to store your stuff safely online without the need to back up your files manually. And when you're disconnected, you can keep doing things using offline apps like Gmail and Google Docs.
